

GRAIN MARKETS Turn Is After Wheat, Corn and Oats Fall to Season's Lows and Force Covering.

CHICAGO, Oct. 8.—A late rally relieved an otherwise depressing short session of the Board of Trade today, the change coming after wheat, corn and oats had all recorded new lows for the season. The close was unchanged to 1/2 cent lower for wheat, 1/2 cent lower for corn and 1/2 cent lower for oats. Late finished unchanged to 1/2 cents higher and ribs 2 1/2 cents lower to 5 cents higher.

The turn came unexpectedly and shorts who sold freely on the way down were driven to cover.

Wheat started weak and made its low mark early. An initial rally caused by anticipation of the Government report was short lived and the market sagged steadily until December touched \$1.07 1/2 and May \$1.12 1/2. Sentiment was mixed and news generally bullish, export demand being reported as slow and Canadian Northwest offerings as liberal with big receipts in prospect at Winnipeg next week.

To the usual weak and evening sales were added reports that India, ordinarily an exporting country, had bought two cargoes of Pacific Northwest wheat, with further trade in sight. There was also a report that Italy would be back in the market on Monday.

Corn and oats moved in parallel line under stop loss selling, the fact that new No. 4 corn was deliverable under December contracts increasing the pressure on that option. Evening up transactions helped a recovery from the inside figures.

Provisions were dull. Lard firmed up on the strength of the hog market and ribs were a little lower.

All grain prices have fallen this week to a new low record for 1921, for which heavy supplies on hand threatening to retard in serious competition of elevators appeared to be largely responsible.

Compared with its prices of a week ago wheat this morning was 10 1/2c to 12c a bushel lower, corn off 1/2c to 1 1/2c, and oats down 1/2c to 3/4c, and provisions sagged from unchanged figures to a decline of 30c.

Disappointing hauling advice tended to retard the decline in corn. Oats were but little affected by the suspension of a leading firm in the oats trade.

Provisions weakened with grain.
